

## **Committee on Services for Youth at Risk**

### **Revised Terms of Reference**

(March 2005)

1. To examine current youth issues and keep young people services under continuous review in order to address the changing needs of young people;
2. To advise the Government, through the Director of Social Welfare, on policy and measures related to young people and in particular youth-at-risk; and
3. To promote cross-sector collaboration and co-ordination at policy and working levels.
