

Neighbourhood Support Child Care Project

Service Objective

The Neighbourhood Support Child Care Project is a pilot project launched from October 2008 to 31 March 2011, and aims at providing more flexible forms of day care services for children aged under 6 to meet the needs of the parents at the neighbourhood level. It also aims at promoting the spirit of mutual help at neighbourhood level in the community.

Target Group

To meet the caring needs of children aged under 6 whose parents are either working long, unstable and / or unconventional hours, in emergency needs, and / or for various reasons require child care assistance, but lack support network and have financial hardship in securing alternative child care support.

Service Components

Home-based child care service provides child care service for children aged under 6 at the carer's own residence or a suitable place approved by the operator. Centre-based care group offers close attention to children aged 3 to under 6 by organising interesting, creative and social activities for children in the centre.

Operating Hours

Home-based child care service is available from 7:00 a.m. to 11:00 p.m.. Centre-based care group covers the evenings, some weekends and some public holidays.

Fees and Charges

Service charge : as designed by service operators and approved by the Social Welfare Department (SWD). Needy families with social needs and financial hardship can contact service operators directly for details of fee reduction / waiving.

Application

One project has been set up in each SWD administrative district, and each project has its main catchment area. Needy family can make application to the operating organisations direct.
