SERVICE DESCRIPTION

Integrated Family Service Centres (IFSCs), operated by the Social Welfare Department (SWD) and subvented non-governmental organisations, provide a spectrum of services to address the multifarious needs of individuals and families of specific localities. With the guiding principles of accessibility, early identification, integration and partnership, the IFSCs are set up to support and strengthen individuals and families through delivering of services under the direction of ‘child-centred, family-focused and community-based.’

An IFSC consists of three major components, namely family resource unit, family support unit and family counselling unit. There is an extensive network of 65 IFSCs over the territory and two Integrated Services Centres in Tung Chung to provide a range of preventive, supportive and remedial family services.
