Total	7 507

Waiting Time

- With reference to information as at 31 October 2023, the average waiting times for various types of subsidised CCS for the elderly were as follows:

Subsidised CCS for the elderly	Waiting time (in months) (Average from the past 3 months) Note ¹
Integrated Home Care Services (Frail Cases)/Enhanced Home and Community Care Services	7
Day Care Centres/Units for the Elderly	3
Note ¹ It is the average number of months taken between the waitlist date and the admission date of normal cases admitted to service in the past three months. Cases accorded priority in allocation of service and those with inactive history admitted in the past three months have been excluded in the calculation because their waiting time may be extraordinarily long or short in comparison with that of normal cases. As at the end of October 2023, there were 5 939 elderly persons classified as “inactive” upon using the Community Care Service Voucher for the Elderly.
