长者地区中心

District Elderly Community Centre

社会福利署（社署）自2001-02年度开始，推出新的长者地区中心（地区中心），为长者提供一系列全面的支援服务。此外，由2003年4月1日起，社署已将过往的长者综合服务中心提升为地区中心，以扩展其功能及为长者和护老者提供适切的服务，以协助长者在社区安享晚年。

The new District Elderly Community Centres (DECCs) have been implemented since 2001/02 to provide elderly persons with a comprehensive package of support services. From 1 April 2003, the Social Welfare Department has also upgraded all multi-service centres for the elderly to DECCs to provide expanded functions and appropriate services for elderly persons and their carers, so as to enable elderly persons to continue living in the community.
