**Annex I****Visiting Medical Practitioner Service**

The Visiting Medical Practitioner Service (VMPS) provides primary medical care and support to service users of Residential Care Homes for Persons with Disabilities (RCHDs) under the subvention of the Social Welfare Department (SWD). It also offers consultation and training to the staff and family members/care-givers of RCHDs on health care management.

**Purpose and Objectives**

2. Through the VMPS, the Service Operators of RCHDs will be able to establish a service network with general medical practitioners for providing regular on-site medical consultation service for improvement of general health and preventive care.

**Service Nature and Contents**

3. Services under the VMPS are delivered through regular visits to RCHDs by medical practitioners, which cover a range of programmes as follows –

- (a) on-site medical treatment and management of episodic illnesses and sub-acute problems of service users, including service users discharged from hospitals or under specialist care, and liaise with hospital-based services as necessary;
- (b) regular health assessment and physical check-ups of service users;
- (c) advice/assistance in maintenance of proper patient records and medical history for service users and medication storage and management;
- (d) advice on measures regarding prevention and control of infectious disease as well as environmental hygiene of RCHDs;
- (e) telephone consultation on the management of emergency situations concerning the health of service users;
- (f) training on health care, infection control, etc., to the staff of the RCHDs;
- (g) talks on health promotion, management of chronic illness, etc., for service users and their family members; and
- (h) any other services as deemed appropriate and agreed between the RCHDs and the medical practitioners concerned.

**Fees and Charges**

4. The VMPS, including medications for minor ailments such as common cold, influenza, etc., should be provided free of charge to all service users. The Service Operator is recommended to explore a subsidy scheme for those service users who could not afford the medications not covered by the VMPS.
