Objective

- Learn ways to handle partner conflicts non-violently and improve intimate relationship
- Help children witnessing or being exposed to intimate partner violence and victims of intimate partner violence enhance their life skills in addressing unfavourable circumstances
- Heighten public awareness on intimate partner violence and dating violence

Targets

- Those who have conflicts or even violence with their intimate partners/ dating partners, and want to learn a better way to relate and improve the relationship
- Children who have witnessed or been exposed to intimate partner violence and victims of intimate partner violence
- General public with interest in knowing more about intimate partner violence and dating violence
- Regardless of gender, language, ethnicity, sexual orientation and gender identification

Programme Content/ Features

- 6 hours Educational Programme on Stopping Domestic Violence to help people using violence/potentially in use of violence have reflection on partner conflicts and violence, learn managing emotions and conflicts, and improve communication with partners
- 4 hours educational programme to help children witnessing or being exposed to intimate partner violence enhance abilities and skills in emotional management and problem solving
- Educational/supportive family programme to enhance family relationship and cohesion
- Interpretation service and referral to other welfare service will be arranged when needed

Instructors

Experienced social workers or clinical psychologists
