

Accreditation System in respect of Local Adoption in the Hong Kong Special Administrative Region

This document sets out the principles, criteria, requirements and monitoring of the accreditation system in respect of local adoption in the Hong Kong Special Administrative Region (HKSAR).

Part I - Background

2. Upon the commencement of the Adoption (Amendment) Ordinance 2004 on 25 January 2006, an accreditation system in respect of intercountry adoption in the HKSAR has been put in place to allow the other bodies/non-governmental organisations (NGOs) duly accredited by the Director of Social Welfare (DSW) as Accredited Bodies (ABs) to perform the functions and procedural duties delegated by the Central Authority. To provide more choices to birth and adoptive parents applying for local adoption service, a separate accreditation system is to be established to enable other bodies/NGOs to carry out certain functions and procedural duties in relation to local adoption, including assessment of the suitability of the applicants as adoptive parents, making arrangements for adoption placements and acting as guardian ad litem (GAL). Any public authorities or bodies in the HKSAR other than the Adoption Unit of Social Welfare Department (AU/SWD) wishing to provide local adoption service have to be accredited by the DSW.

Part II - Legal Provision

Central Authority and Accredited Bodies

3. Upon the commencement of the Adoption (Amendment) Ordinance 2004 and Adoption (Amendment) Rules 2007, legal provision has been included for an accreditation system to be put in place to allow other bodies/NGOs duly accredited as ABs to perform duties delegated by the DSW in relation to local adoption. The DSW may, in accordance with the Adoption Ordinance, accredit, renew, revoke or suspend the accreditation of a body of persons as an AB in relation to local adoption. The statutory requirements concerning the accreditation system in respect of local adoption in the HKSAR are set out in Sections 26, 26A and 26B of the Adoption Ordinance.

4. The general division of labour between the DSW and ABs in local adoption is that the DSW will make the key decisions, including coordinating adoption services between the AU/SWD and ABs, while the ABs will be entrusted to perform certain functions and procedural duties, including assessing and approving the suitability of the applicants as adoptive parents, making arrangements for adoption placements, providing counselling and support to the prospective adoptive families and

children placed for adoption, as well as acting as a GAL for non-DSW wards whose parents give specific consent to their adoption.

5. The following table shows the powers stipulated in the Adoption Ordinance that may be entrusted to ABs:

5.6	Guardian Ad Litem (GAL)	Except where the DSW has become GAL upon the execution of the prescribed general form of consent by a parent, if the applicant desires that some person other than the DSW should be appointed to act as GAL and the applicant asks for the appointment of GAL in the originating summons, the judge may appoint such person as he thinks fit to be GAL.	r.9(1)

- (b) Every person whose consent is necessary under the Adoption Ordinance and whose consent is not dispensed with has consented to and understands the nature and effect of the adoption order and in particular, that (except for a birth parent married to the sole applicant in the case of step-parent adoption) the effect of the adoption order will be permanently to deprive him/her of his/her parental rights. The consent should only be executed when the child is at least 4 weeks old;
- (c) The applicant has not received or agreed to receive any payment or other reward in consideration of the adoption; and
- (d) Section 5AA or 27(3) of the Adoption Ordinance (as the case may be), has been complied with and that, taking into account the information obtained by the DSW from the Commissioner of Police, the applicant is a fit and proper person to be granted the adoption order.

Part III - Accreditation

7. The criteria for accreditation in respect of local adoption in the HKSAR, the application procedures for accreditation, the scope of work of ABs, and monitoring of ABs in the HKSAR are set forth below.

Root-tracing

12. For root-tracing request in relation to an adopted person who has been arranged for local adoption by SWD and an AB, the concerned AB will also be involved in root-tracing service though this is not stipulated in the legislation. In handling such requests, the AB may release the birth information to the adopted person (subject to a veto mechanism) and render counselling to the adopted person as appropriate.

Part IV - Application and Approval Procedures

Application for Accreditation

13. Application for an accreditation or application for renewal must be made to the DSW in a specified application form and accompanied by such information as the DSW may require. These include information about the organisation of agency, background, services provided, experience in local/intercountry adoption, financial status, track record, etc. A copy of the Application Form for Accreditation in respect of Local Adoption in the HKSAR is at **Annex 1**. Applicants wishing to provide local adoption service should spell out clearly the reasons and the details of the proposed programme for the DSW's consideration.

Accreditation Assessment

14. Upon receiving the Application Form and relevant documents/records from the applicant, accreditation assessment will be conducted by the DSW based on the criteria set out in paragraph 9. The DSW may require an applicant to provide such further information in connection with the application as he/she deems necessary.

18. The successful applicant will be issued an accreditation certificate in a specified format which will specify the functions and duties that have been delegated to the applicant in relation to local adoption. The DSW may also impose such conditions of accreditation as he/she considers appropriate. The accreditation certificate must be displayed in a conspicuous place in the applicant's office where the local adoption service programme is operated. Unsuccessful applicants should not provide local adoption service.

Validity Period

19. According to Section 26(4) of the Adoption Ordinance, an accreditation, unless revoked or suspended, shall be valid for 4 years. 29. If an AB is found not to have acted in the best interests of the child or upon the occurrence of any of the events stated in paragraph 19, the DSW may suspend the accreditation of the AB. The AB is required to investigate into the matter and provide a report to the DSW within a given time frame and recommend remedial actions to be taken to the satisfaction of the DSW. In case of serious or repeated default or non-compliance or the failure of the AB to improve on the identified deficiencies, the DSW may revoke the accreditation of the AB. Prior to suspension or revocation, the DSW will bring the matter to the attention of the AB and provide the AB with the opportunity to make representation before a final decision is made.

30. In the case where accreditation is to be suspended or revoked, the AB shall immediately cease to provide local adoption services. The DSW will take over or arrange another AB to take over the ongoing adoption applications/cases of the AB. The AB will be required to facilitate the transition and termination of services smoothly. The DSW reserves the rights to request the AB to bear the cost and expenses incurred in connection with the take-over.

Complaints against an Accredited Body on Local Adoption Services

31. The DSW may undertake an investigation, upon receipt of information from a third party which indicates that an AB may not be in compliance with any of the criteria for accreditation stated in paragraph 9, the conditions for accreditation stated in the accreditation certificate or any of the duties, requirements or conditions set out in this document or otherwise imposed by the DSW from time to time. The complaint will be handled according to the complaint procedures prescribed by the DSW.
