Quarterly Statistics
Drug Dependent Persons Treatment Centres
(To be submitted to the Statistics Unit, Security Bureau on or before 15th of January / April / July / October)
(Fax: 2537 2575   e-mail : sb_stat@sb.gov.hk)

Name of treatment centre : _____

Name of agency : _____

Period :   From _____   to _____

Gender : ☐ M   ☐ F   Any newly admitted drug dependent residents aged 18 or below : ☐ Yes ☐ No

1. Statistics on admissions, discharges and dropouts

		Age	
		< 21	>= 21
(a)	No. of drug dependent residents b/f from last quarter		
(b)	No. of drug dependent residents newly admitted		
	No. of drug dependent residents readmitted		
(c)	No. of drug dependent residents graduated		
(d)	No. of drug dependent residents dropped out		
(e)	No. of drug dependent residents c/f to next quarter [(a)+(b) (c) (d)]		

2. Rate of placement occupancy

$$\text{Rate of placement occupancy} = \frac{\text{Sum of daily enrolment of drug dependent residents}}{\text{Capacity of the treatment centre } \times \text{ No. of operating days}} \times 100\%$$

(a)	Capacity	
(b)	No. of operating days	
(c)	Sum of daily enrolment[1] of drug dependent residents	
(d)	Rate of placement occupancy [= (c) /{(a) x (b) } x 100%]	

3. Rate of completion of the treatment programme

$$\text{Rate of completion of the treatment programme} = \frac{\text{Number of graduates}}{\text{Number of drug dependent residents discharged from the treatment centre}} \times 100\%$$

(a)	Discharges[2] [=1(c) + 1(d)]	
(b)	Graduates[3] [=1(c)]	
(c)	Rate of completion of the treatment programme [=(b) / (a) x 100%]	

4. Statistics on aftercare

		Age	
		< 21	>= 21
(a)	No. of graduates on aftercare		

Prepared by : _____   Telephone No. : _____

Name : _____   Date : _____

Post : _____

[1] Daily enrolment includes residents on sick/home leave.

[2] Discharges include graduates and dropouts. It should equal to the sum of 1(c) + 1(d).

[3] Graduates mean residents who have undergone and fulfilled the requirements of the agreed residential treatment and rehabilitation programme for drug dependent persons in the centre.
