- (2) One copy of the centre's latest available audited accounts showing the state of affairs and results of operations of the centre. If the audit of the accounts of the latest financial year has not yet been completed at the time of submission of this application, certified copies of accounts drawn up in respect of profits tax returns may be accepted.
- (3) Supporting documentation for rent, rates, building management fee and all other material items of expenditure including capital expenditure, e.g. photocopies of tenancy agreement, rates demand notes and supporting vouchers.
- (4) All supporting documents in relation to the fees application should be submitted and reached SWD on or before the deadline set in SWD's invitation letter in April 2022. Fresh information submitted after the deadline will not be accepted, unless the information is to clarify any enquiries raised by SWD in the course of processing the application.

**Guidelines on Preparing Income and Expenditure Estimates for
Private/Non-profit-making Stand-alone Child Care Centres**

Inclusive Monthly Fee [Part (I) of Schedule 1]

(1) Fee Income

Please show calculation in the 'Remarks' column of Income and Expenditure Estimates using the formula:-

$$\text{Actual fee income} = \frac{\text{Actual average enrolment per month}}{\text{Approved monthly fee per child}} \times \text{Number of months}$$

$$\text{Estimated fee income} = \frac{\text{Estimated average enrolment per month}}{\text{Proposed monthly fee per child}} \times \text{Number of months}$$

Where the centre operates **more than one type** of services, the fee income in Schedule 1 must be supported by a **breakdown** of calculations for each type of service using the above formula.

Collection of Inclusive Monthly Fee

If a place is offered by the centre to a child, the centre may collect the inclusive monthly fee, in part or in full, **at most three months in advance** before the commencement of the first month of the service. For example, if a child commences attendance on 1 September, the centre may collect the September fee on 1 June at the earliest. The fee may be forfeited if the child subsequently fails to take up the place, but this policy should be clearly communicated to the parents when the fee is collected.

(2) Income/Expenditure from Sundry Sales/Services

Any charging or acceptance of money or fee in addition to the inclusive monthly fee must be approved, in writing, by the Director of Social Welfare. Moreover, purchases by parents should be on a strictly voluntary basis. Centres must keep proper books of accounts which must reflect all sales and purchases of items sold as well as the income and expenditure relating to the provision of services.

Net income derived from the sale of items (e.g. uniforms, aprons, bags and books) and provision of services should be shown in the Income and Expenditure Estimates at Schedule 1 with supporting details as per Schedule 4. It should be noted that expenditure in respect of these sales and services should **not** be included in the Income and Expenditure Estimates.

Income and expenditure related to other operations, e.g. evening operations, extended hours/occasional child care services carried out at the centre premises should be kept in separate books and should **not** be included in the Income and Expenditure Estimates.

(3) Other Income

Please specify the nature as well as the basis of estimating the income.

(a) Charges on Centre Activities / Programmes for Children

Expenditure on centre activities / programmes for children should be charged against the inclusive monthly fee. **No separate charge** for centre activities / programmes should be made without the prior approval, in writing, of the Director of Social Welfare.

(b) Others

Income such as interest on bank deposits should be stated separately in the estimates at Schedule 1.

(4) Other Operating Expenses

(a) Stores and Equipment

Significant items of capital expenditure in respect of stores and equipment should **not** be included under this heading but a charge should be made under the provision of depreciation. Purchases of items for resale to children should be excluded from this expenditure heading and these should be shown in a supporting statement as per Schedule 4.

(b) Food for Children

No separate monthly meal charges are allowed for child care centres providing meal for children attending **half day session**. All expenses of food for children attending half day session should be charged against the inclusive monthly fee.

(c) Programme Expenses for Children

These normally include items such as teaching materials, art materials, consumable toys and materials for games, as well as incidental expenses for birthday parties and festivals.

(d) Insurance

Details of the insurance policies together with supporting documents e.g. quotations from insurance companies or copies of the policies should be provided.

(e) Miscellaneous Expenses

A list of items included under this heading should be provided.

(f) Provision for Depreciation

Details of the computation of depreciation and the respective depreciation policies for the fixed assets should be given in a supporting statement as per Schedule 5. Supporting documents for the acquisition of fixed assets in 2021/22 and if applicable, quotations for additional capital expenditure to be incurred in 2022/23 should also be provided.

(g) Rent, Rates & Government Rent and Building Management Fee

Supporting documents for rent, rates, government rent and building management fee, e.g. photocopy of tenancy agreement, rates demand note and supporting vouchers, etc. should be provided. Please note that if part of the rented premises is used for operations other than the child care centre service, the related costs should be shown separately and supported by relevant details.

Monthly Meal Charges [Part (II) of Schedule 1]

(Applicable to centres providing meals for children attending full day classes only)

(1) Income from Monthly Meal Charge

Separate monthly meal charge is applicable for child care centres providing meals for children attending **full day classes**. Please show calculation in the 'Remarks' column of Income and Expenditure Estimates using the formula:-

$$\text{Actual income from meal charge} = \boxed{\text{Actual average number of children attending full day classes}} \times \boxed{\text{Approved monthly meal fee per child}} \times \boxed{\text{Number of months}}$$

$$\text{Estimated income from meal charge} = \boxed{\text{Estimated average number of children attending full day classes per month}} \times \boxed{\text{Proposed monthly meal fee per child}} \times \boxed{\text{Number of months}}$$

(2) Personal Emoluments of Staff for Preparation of Meals

These include salaries and provident fund/mandatory provident fund of the cook for preparation of meals for children attending full day classes. Justification should be given in the 'Remarks' column if additional staff are required for preparation of meals.

(3) Meal Expenses for Children

Only meal expenses for children should be included in the assessment of monthly meal charge.
