### Brief on the “Pilot Programme on Community Living Room” - Sai Ying Pun Community Living Room Project

#### **1. Background and Objectives**

The Social Welfare Department (“SWD”) launches the “Pilot Programme on Community Living Room” – Sai Ying Pun Community Living Room Project (hereafter referred as “the Project”) subsidised by the Community Care Fund (“CCF”) in December 2025. The Project aims to provide targeted support to households residing in subdivided units (“SDUs”), especially those with children, through provision of additional living space and extended interpersonal network, thereby enhancing their living standard and sense of belonging to the community. SWD has appointed Caritas - Hong Kong as the Approved Service Provider (“ASP”) responsible for operating the Project, which provides service content encompassing the following three components:

- (i) Living space: Sai Ying Pun Community Living Room offers essential facilities such as shared kitchen/pantry, dining room, living room, study/learning area for students, washing and drying machines. Sai Ying Pun Community Living Room will provide additional facilities, including children’s play area, exercise facilities, group activity area, shower facilities, etc.;
- (ii) Community support: provision of homework guidance services, daily life information (e.g. diet and nutrition, health and exercises, disease prevention, mental health, stress management, etc.), talks on community resources, etc.; organises parenting education and support activities; provides self-help health checking facilities; provides "Youth Companion" service and a variety of services to enhance young people’s knowledge and skills about employment and entrepreneurship; referrals to appropriate community services (e.g. integrated family service centres, integrated children and youth services centres and neighbourhood elderly centres, etc.) will also be made as required; and
- (iii) Care and share: The business sector and local organisations will be engaged to provide in-kind donations (e.g. fresh fruits and vegetables, voluntary support for children’s learning, and provision of job experiences and guidance for young people) and trains young volunteers to assist in organising and implementing activities; and encourages SDU households to share their personal strengths, experiences and insights, as well as building a sense of solidarity through mutual help.

The Project, which commences operation in December 2025, lasts for three years.

**“Pilot Programme on Community Living Room” -  
Sai Ying Pun Community Living Room Project  
Guide on Reporting Income**

**I. Income reportable period/month:**

The monthly household income refers to the income of the applicant and his/her core family member(s) residing with him/her in Hong Kong (“relevant family member(s)”) for the month or the average income for the 3 months prior to the submission of application, whichever is lower. For example, if an applicant submits his/her application in December 2025, the actual income received by the applicant and his/her relevant family member(s) from September to November 2025 or in November 2025 shall be counted as household income. Examples of reportable period/month are set out below:

<b>Month of submission</b>	<b>December 2025</b>	<b>January 2026</b>	<b>February 2026</b>
<b>Reportable Period/Month</b> <i>(Report the period/month with the lower income)</i>	1 September to 30 November 2025 or November 2025	1 October to 31 December 2025 or December 2025	1 November 2025 to 31 January 2026 or January 2026

**II. Reportable income:**

- Employment earnings:** salaries, double pay/leave pay, work allowances, bonuses/prizes/commissions/tips/contract gratuities, income from rendering services and business profits, etc.; and
- Other income:** financial assistance from offspring and relatives/friends, alimonies, monthly pensions/widow’s and orphans’ payments or pensions, investment profits, interest income from fixed deposits, dividends and rental income, etc.

Income not paid on a monthly basis (e.g. double pay, bonuses, contract gratuities, etc.) shall be apportioned for the relevant period. Reportable income, however, excludes mandatory contributions to the Mandatory Provident Fund (MPF) scheme made by employees (i.e. 5% of MPF contributions by an employee), financial assistance provided by the Government, charitable donations, and allowances/subsidies from other assistance programmes under the Community Care Fund, etc.

**III. Calculation of income:**

- Regular monthly income:** The total income for the month or the average income for the 3 months prior to the submission of application (i.e. calculated by dividing the total income received in the 3-month reportable period by 3).
- Regular periodic income/irregular income:** The income received in the month prior to the submission of application or in one of the months during the reportable period is calculated by dividing the total income received by the length of the period covered. Income received outside the aforementioned period is not counted.
- Income in foreign currency/Renminbi is calculated at the exchange rate of the currency/Renminbi to Hong Kong Dollars prevailing on the date of receipt of such income.

#### IV. Example of income calculation

An applicant lives with his wife, son and father, forming a 4-person household. Assuming the applicant submits the application form on 31 December 2025, the income reportable period should be September to November 2025 or November 2025 (whichever period with the lower income). The table below sets out the household income of the applicant during the period concerned, and how he should report their income in Part 2 “Monthly Household Income” of the application form:

	September 2025	October 2025	November 2025
Applicant	<ul style="list-style-type: none"> <li>Full-time salary: HK\$8,000</li> </ul>	<ul style="list-style-type: none"> <li>Full-time salary: HK\$7,700 and year-end bonus: HK\$6,000</li> </ul>	<ul style="list-style-type: none"> <li>Unemployed (income: HK\$0)</li> </ul>
<p><b>(i) Average monthly income for the 3 months prior to the submission of application:</b>  <math display="block">\begin{aligned} &amp;= \text{average monthly value of the salary} + \text{average monthly value of the year-end bonus} \\ &amp;= [(HK\\$8,000 + HK\\$7,700 + HK\\$0) \div 3] + [HK\\$6,000 \div 12] \\ &amp;= \underline{\underline{HK\\$5,733}} \end{aligned}</math></p> <p><b>(ii) Income for November 2025 = HK\$0</b></p>			
Wife	<ul style="list-style-type: none"> <li>Mainly housewife, but attending part-time job</li> </ul>	<ul style="list-style-type: none"> <li>Income from part-time job: HK\$1,000</li> </ul>	<ul style="list-style-type: none"> <li>Income from part-time job: HK\$1,000</li> </ul>
<p><b>(i) Average monthly income for the 3 months prior to the submission of application = HK\$1,000</b></p> <p><b>(ii) Income for November 2025 = HK\$1,000</b></p>			
Son	<p><b>(i) Average monthly income for the 3 months prior to the submission of application = HK\$0</b></p> <p><b>(ii) Income for November 2025 = HK\$0</b></p>		
Applicant's father	<ul style="list-style-type: none"> <li>Full-year dividends of HK\$1,200 received from Company A</li> <li>Contribution of HK\$500 from offspring/relatives living apart</li> </ul>	<ul style="list-style-type: none"> <li>Half-yearly interest payment of RMB ¥1,000 received from Renminbi fixed deposit</li> <li>Contribution of HK\$500 from offspring/relatives living apart</li> </ul>	<ul style="list-style-type: none"> <li>Profit of HK\$1,500 from selling shares of Company B</li> <li>Contribution of HK\$500 from offspring/relatives living apart</li> </ul>
<p><b>(i) Average monthly income for the 3 months prior to the submission of application:</b>  <math display="block">\begin{aligned} &amp;= \text{dividend income (average monthly value of dividends from Company A)} + \text{fixed deposit income (average monthly interest payments from Renminbi fixed deposits)} + \text{profits from stock trading (average monthly profit from selling shares of Company B)} + \text{monthly contribution of HK\$500 from children/relatives living apart} \\ &amp;= (HK\\$1,200 \div 12) + [\text{interest from fixed deposit RMB ¥1,000} \times 1.2 \text{ (assuming an exchange rate of RMB ¥1} \\ &amp;\quad = \text{HK\\$1.2 on the day of receipt)} \div 6] + (HK\\$1,500 \div 3) + [(HK\\$500 + HK\\$500 + HK\\$500) \div 3] \\ &amp;= HK\\$100 + HK\\$200 + HK\\$500 + HK\\$500 \\ &amp;= \underline{\underline{HK\\$1,300}} \end{aligned}</math></p> <p><b>(ii) Income for November 2025 = \$1,500 + \$500 = HK\$2,000</b></p>			

#### Total average monthly income of the applicant and relevant family member(s) for the 3 months prior to the submission of application:

= average monthly income of the applicant (\$5,733) + average monthly income of the wife (\$1,000) + average monthly income of the son (\$0) + average monthly income of the applicant's father (\$1,300)  

$$\begin{aligned} &= \underline{\underline{HK\$8,033}} \end{aligned}$$

#### Income of the applicant and relevant family member(s) for November 2025:

= income of the applicant (\$0) + income of the wife (\$1,000) + income of the son (\$0) + income of the applicant's father (\$2,000)  

$$\begin{aligned} &= \underline{\underline{HK\$3,000}} \end{aligned}$$

#### V. Reporting monthly household income:

As the income of the applicant and his/her relevant family member(s) for the month prior to the submission of application (November 2025) is lower than the average income for the 3 months prior

to the submission of application (September to November 2025), the applicant should report his/her income for the month prior to the submission of application (November 2025) in the application form.

**Attention:** ASP will conduct random checks to verify the eligibility of the applicant and relevant family member(s) and reserve the right to disqualify the applicant and relevant family member(s). Any deliberate provision of false information or omission of information in order to obtain the subsidised services under the Project by intended deception is a criminal offence. In addition to rendering the applicant and relevant family member(s) ineligible for the subsidised services under the Project, he/she may be liable to prosecution and, on conviction, imprisonment for a maximum of 14 years under the Theft Ordinance (Cap. 210).
