

Community-based Support Projects for Persons with Disabilities and their Families (2018-2020)

	Service Boundary	Agency	Project Name	Service Brief	Tel No.	Fax No.
1	New Territories West	Yuk Chi Resource Centre Limited	Training for Children with Special Needs	The project aims at providing professional service to service users and their parents/carers as well as small group training for children with developmental problem in order to enhance the social skills of children and alleviate the caring stress of their parents/carers. It is only eligible for those who have not benefitted from any subvented pre-school services including 'Training Subsidy Programme for Children on the Waiting List of Subvented Pre-school Rehabilitation Services' from Social Welfare Department.	2440 2413	2451 5266
2	Territory-wide	The Salvation Army	Share-Care—「FLASH」Project (Critical Moment Intervention for Autism Spectrum Disorders Persons and their Families)	The project, based on family-centred approach, aims at helping persons (aged 15 or above) with autism spectrum disorders through the provision of family emergency support and intervention, holistic development programme for autistic persons, professional training for the parents/carers and locality family support so as to facilitate family and community harmony.	2744 1511	2744 9766
3	Territory-wide	Heep Hong Society	Junior Gateway Club – Enhancing an accepting society for children with special needs and their families	The project aims at enhancing the personal development of children with special needs aged from 2 to 15. By offering meaningful developmental activities to the children during school holidays, it can relieve the stress of the parents/carers. Besides, education programmes and visits will also be organised for parents/carers to enhance their knowledge of community support services. Community education and inclusion programmes will also be arranged to promote the public's understanding and concern for the children with special needs.	3618 6329	2776 1837

4	Territory-wide	The Child Development Centre	The Whole Child Approach Support Programme	The project is to provide a series of training and support services for parents/family members of non-Chinese speaking children with special needs. It aims at supporting the parents/family members to relieve their stress so as to provide a proper care for their children with special needs.	2849 6138	2849 6900
5	Territory-wide	The Intellectually Disabled Education & Advocacy League	We Care, We Share → Friendship & Partnership	The project aims at helping persons with intellectual disability (PIDs) and their families to review the life development of PIDs and map out a long-term care plan. It also helps them build up a social support network, enhance their self-esteem and relieve their life stress by means of counseling service, creating a Life-Book, volunteer development programme and producing a documentary film and video.	2728 8377 2386 2607	2194 8870
6	Territory-wide	Hong Kong Society for Rehabilitation	Strengthening Professional Support to Self-help Organizations of Persons with Disabilities	The project aims at strengthening the development of self-help organisations of persons with disabilities (SHOs) through provision of professional consultancy/support/training services with a view to promoting mutual help among the disabled and their families.	2794 3010	2338 4820
7	Territory-wide	Arts with the Disabled Association Hong Kong	Community in Arts	The project provides opportunities for persons with disabilities (PWDs) to develop their arts potential and abilities and promote social inclusion through arts. It includes training workshops, support group, community programme and career development services for PWDs. This project also provides train-the-trainers programme so as to enhance the frontline staff of rehabilitation service units to serve other PWDs by use of arts.	2887 0311	2566 6286
