

In Hong Kong, a series of services are provided to victims, abusers or families of battered spouse cases through the Social Welfare Department (SWD), non-government organisations (NGOs), the Police, and the Legal Aid Department (LAD), etc.

The Family and Child Protective Services Units (FCPSUs) are manned by social workers who render an array of services.

families of child abuse and spouse battering cases. Depending on the needs of these cases, social workers will provide outreach, social investigation, crisis intervention, caseworker counselling and group treatment, etc. Besides, to safeguard the interest of children affected by custody or guardianship disputes, FCPJSU will, as ordered by the Court, prepare social investigation reports to the Court. They also will be statutory supervisors to children in accordance with court orders. Referrals will be made for financial assistance, medical, legal aid, psychological counselling and arrangement of schooling, etc., when necessary.

Integrated Family Service Centres

continuum of preventive, supportive and remedial services to individuals and families in need. It comprises a Family Resource Unit, a Family Support Unit and a Family Counselling Unit. An array of services are provided which include family life education, parent-child activities, enquiry service, volunteer training, outreach training, mutual help group, casework counselling, etc. Besides, based on the needs of individual cases, social workers will make referrals for other services, such as community support or residential care services, financial assistance, psychological service, employment service

Medical Social Services

Domestic violence cases may come to the attention of medical social workers in public hospitals and specialist out-patient clinics through hospital personnel, police or other organizations, and through direct approach by patients or their families. The medical social workers also provide counselling, tangible services and arrange referrals for rehabilitation, community counselling and so forth to help the victims of family violence and their family members based on their needs.

Refuge Centres for Women

Wai On Home for Women, Harmony House, Serene Court, and Sunrise Court, providing temporary accommodation and support services to women and their children at risk of domestic violence or facing family crisis. For women in need of the service, round-the-clock admission is accepted either through referrals from social workers, the police or hospitals, or through direct application. The addresses of the refuge centres are kept confidential.
